Now dreams
Are not available
To the dreamers
Nor songs
To the singers.
-Langston Hughes

Little dreams
Of springtime
Bud in sunny air
With no roots
To nourish them.
-Langston Hughes

Gather out of star-dust
Earth-dust
Cloud-dust
And splinters of hail,
One handful of dream dust
Not for sale.
-Langston Hughes

To
"my little Debbie"
you better
quit telling me
to tell Bernie hi for
you, cuz I'm not
gonna do it. You
are a very special
person in my eyes,
even though you
are Bernie's sister,
you are really
something.
As Always
Mona

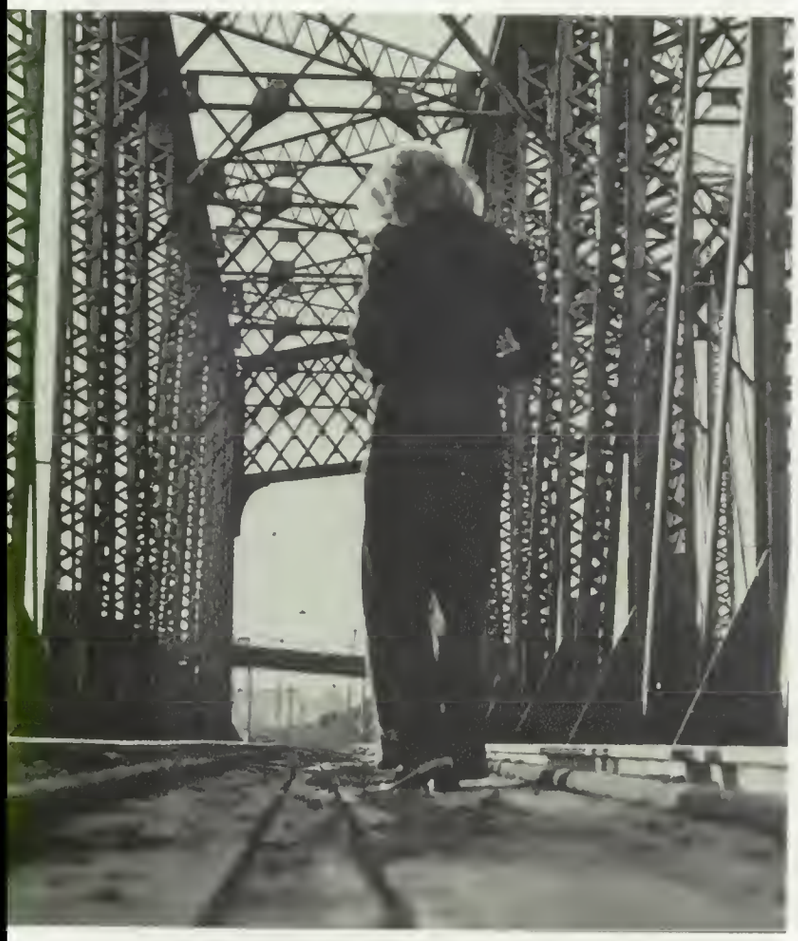

. . . the greatest beauty is organic wholeness,
the wholeness of life and things,
the divine beauty of the universe.
Love that, not man apart from that . . .

-Robinson Jeffers

I could tell you,
If I wanted to,
What makes me
What I am.
-Langston Hughes

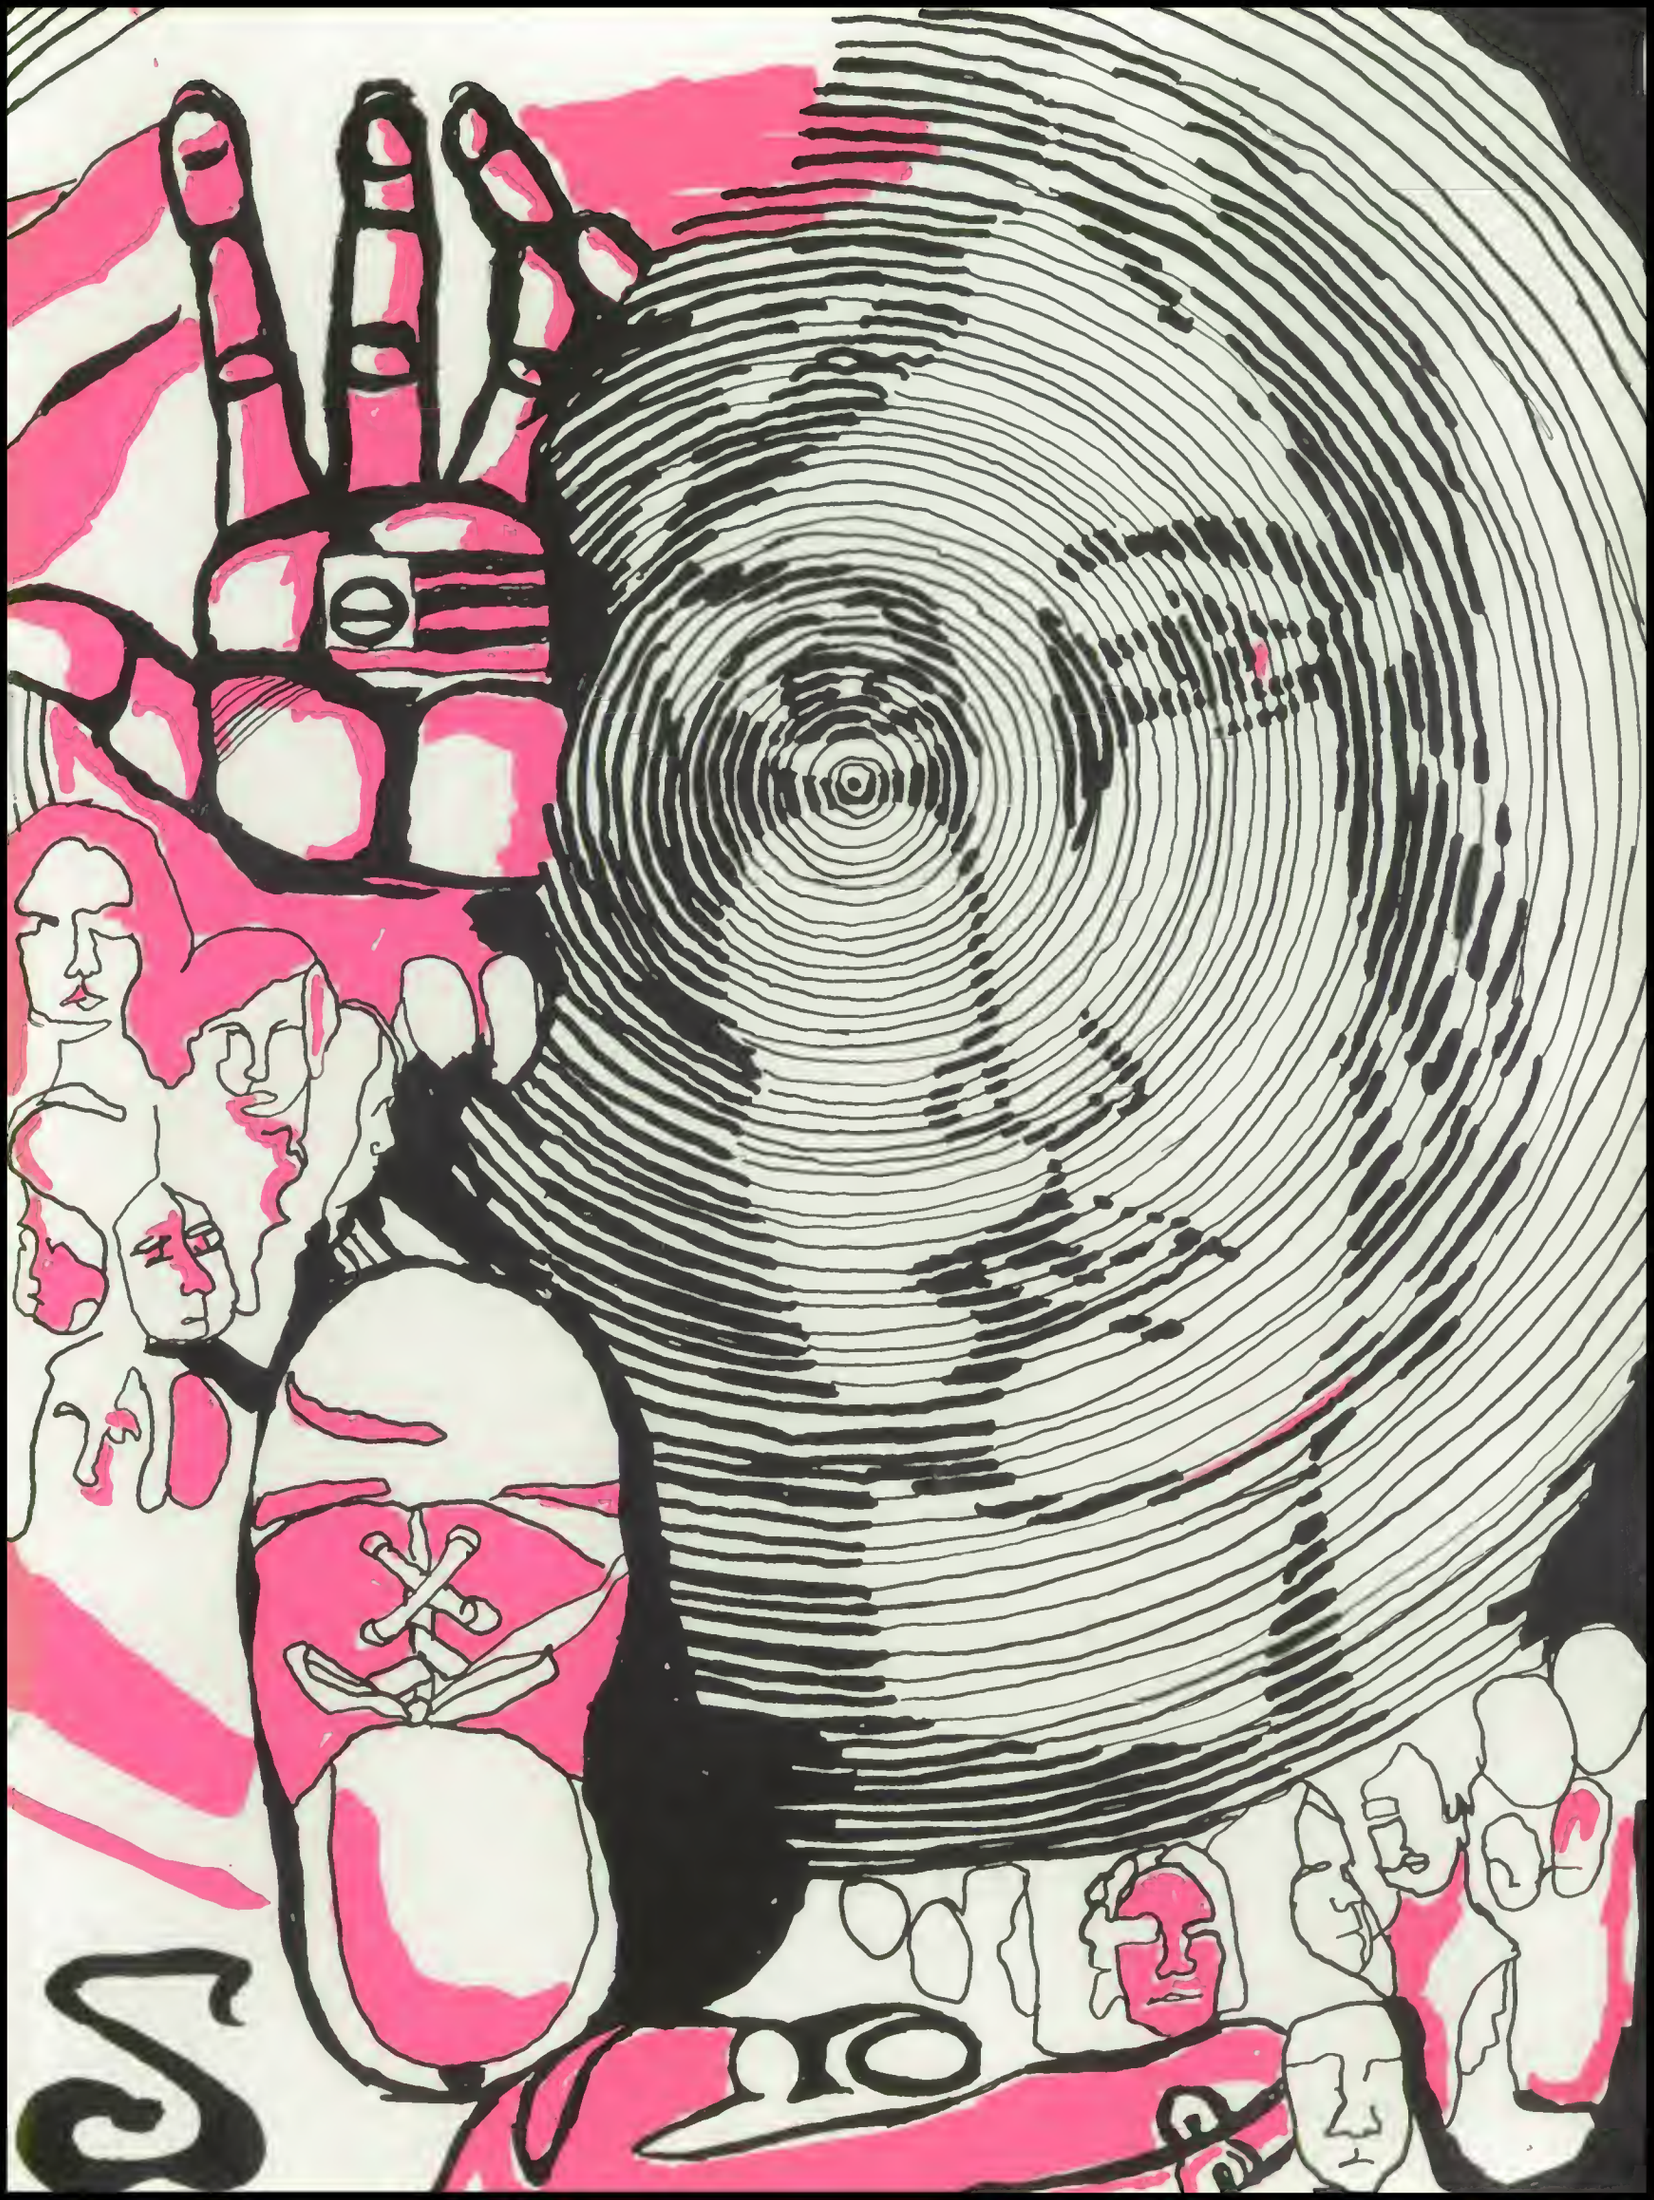

The beauty of things-
Is in the beholders brain--the human mind's translation
of there transhuman
Intrinsic value.

-Robinson Jeffers

BOOTS 'N BAGGYS

You'll remember 1973 as the year of the heel . . . funky shoes that started with the English rockers and moved to the streets of the River City. Baggies with cuffs and often with pleats reflected the throwback music of Sha Na Na and the return of fifties rock. In all, an interesting year . . . for clothes . for music . and for Hamer's.
